Vocationally Orientated Culture and Language in Need

http://Vocal.erasmus.site

AIMS AND OBJECTIVES

MAIN ACTIVITIES AND RESULTS

Vocal In Need aims to improve the cultural and linguistic skills of security staff, trainers and counsellors / non-profit organisations / NGO personnel when interacting with migrants, refugees and other foreign nationals who don’t speak their language.

Erasmus+ KA2 Strategic partnership for Vocational Education and Training
October 2017 - September 2019

The VOCAL IN NEED training modules will be available in the following languages:
Arabic, Bulgarian, English, German, Italian, Lithuanian, Russian and Turkish.

Needs analysis in partner countries to understand the training needs of security and agency staff and to design online training based on real-life scenarios, and where they feel their language and intercultural competences are not sufficient.

Online training modules, accessible from any device and developed to be user-friendly, containing vocabulary, useful phrases, scenarios/virtual tours, exercises and cultural information.

App for smartphones (Mobile assistant) containing useful key phrases and words (with respective audio recording in foreign languages) to help security and agency staff in overcoming language barriers.
